

## Career of the Week

# Interpreter

### LANGUAGES IN DEMAND

#### Job role:

An interpreter's role is to facilitate communication between two or more people who use different languages, being either spoken or signed. The interpreter is not responsible for what is said by either party, but is responsible for ensuring that everything that is said is communicated accurately in the other language.

#### How to get this job:

GCSEs: 5 or more at grades 9-4 (including a Modern Foreign Language)

College/A-Level: 2-3 A levels (At least 1 Language)

University: Languages

Volunteering and Experience: Working somewhere where English is an additional language

#### Career tips:

It is important to know and understand the informal speech, slang and regional differences so try to spend time with those who speak the language.

Understand the culture of the country or countries where the language is spoken
