

WADE DEACON LEARNING JOURNEY: YEAR 7 - YEAR 11

	Key Stage 3			Key Stage 4	
	Y7	Y8	Y9	Y10	Y11
	<p><i>When your child enters the school in Year 7, they are placed in a particular pathway based on prior attainment (taken from Y6 SATs as well as any baselining assessments completed for practical subjects). We understand that each child is an individual; his/her learning pathway may change over the five years so expect some movement and fluidity as your child journeys through the school. For some of our students, the pathway to GCSE may take a very different route. Our SENCO will ensure that students who are on a Developing or Emerging pathway are appropriately placed to ensure the best outcomes at the end of the child's five year journey.</i></p>
