

GCSE Post Results Services - Summer 2023 Series

*****The deadline for requesting Post Results Services is 28 September 2023*****

Review of Results services - Service 1 (Clerical re-check)

- Candidate consent is required
- The request must be received by the awarding body by **28 September 2023**.
- The deadline for completion is within 10 calendar days of the awarding body receiving the request

This service will include the following checks:

- that all parts of the script have been marked;
- the totalling of marks;
- the recording of marks.

The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

Review of Results services - Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Candidate consent is required. A marking error can occur because of:

- an administrative error;
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer;
- an unreasonable exercise of academic judgement.

The awarding body will train its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

****Members of staff will be available to discuss results until 2pm on Results Day (Thursday 24th August)****
