1 INTRODUCTION

- 1.1 Parent* / Carer engagement in Wade Deacon is based around our belief in the triangulation of Parent, Student and School as outlined in our Home School Agreement (see below). This has fed into the reciprocal relationship embodied by WD Connect. When all three parties are actively engaged, it enriches the experience of students, families, schools and communities.

2 RATIONALE

- 2.1 According to the DfES toolkit for schools, *Involving Parents: Raising Achievement* increased parental engagement will lead to:
- 2.1.1 Improved levels of achievement

 - 2.1.4 A greater willingness to share information

3 OUR COMMITMENT

- 3.1 Wade Deacon is committed to upholding the work of WD Connect in supporting families to build on the progress and holistic wellbeing of our students. WD Connect is a group of parents led by a designated parental engagement co-ordinator. WD Connect promotes positive inclusive engagement through a three-pronged approach: Information and Communication, Education and Consultation.
- 3.2 Within this core offer we commit to providing:
- 3.2.1 A welcoming environment and an understanding of the diverse needs of our community,
 - 3.2.2 Opportunities to become actively engaged in the learning of our students and access a range of enrichment activities,
 - 3.2.3 Regular, accessible, communication and information,
 - 3.2.4 Regular opportunities to voice opinion and consult on pastoral, curriculum and policy areas within school.
- 3.3 Our commitment encompasses the Leading Parent Partnerships Award (LPPA) framework, which is used as a means to sustain and drive our work with parents and community. Since gaining the LPPA Award in 2016, we are committed to maintaining these high standards.

- 6.2 To ensure effective consultation we will:
 - 6.2.1 Regularly seek parent views through WD Connect forums, evaluations of events and surveys at parents evenings
 - 6.2.2 Share results and findings with all stakeholders
