Ahoy there me hearties! What do we have here? Some Year 6 shipmates idling on land! Not just any old swashbuckler can jump aboard the good ship "Pride of Wade Deacon" after all. Complete my 4 challenges if you dare, show my crewmates proof of your courage when you board and a bounty of treasure awaits you! Bon courage!!!

Challenge 1: Pure Skill!

In order to not have to walk the plank, show Captain Bluebeard your skill; whether it is football, drawing, playing an instrument or a talent for science, prove to the Captain why you should remain in her crew!

How do I feel when I perform my skill?
Why do I love it?

Challenge 2: Taking a leap of faith

Pirates are known for their resilience; they may make mistakes when faced with new challenges but they always show courage when trying again. Take a leap of faith and learn/practice something new that you have always wanted to try. Captain Blackbeard's is learning to roller-skate and do a 10000 word puzzle! Set yourself a goal and have a go!

How did I feel before trying something new?
Did I show resilience if I didn't achieve my goal immediately?

Challenge 3: Leadership

Every pirate knows that being part of a team, means that you need to stand up and lead your crew mates when it counts. Document for Captain Blackbeard who you have led/helped to achieve a goal.

What do you think makes a good leader?

Which leader(s) do you admire (for example in sport, music, politics, film, history etc.) and why?
