Attendance & Punctuality

We expect that you will be able to maintain a full attendance record at school. However, if for example you are ill and unable to attend, or you will be late to school for any reason, then your parent or carer must contact the school via Synergy or telephone 0151 423 2721 by 9:00am each day of absence.

In order that you do not fall behind others in your class, you will be expected to catch up on work you have missed during your absence

The Wade Deacon target for attendance is 97% each year. Hit this target and you will have the best chance of achieving your potential!

"When you go into school, every day your form tutor will have a big smile on their face, welcoming you into the team of year 7s."

"Although moving to a new school is different and you may be nervous, Wade Deacon is very welcoming, and all the teachers are helpful and kind."

8

Home Learning & Revision

Homework is a vital part of school life. It is used to support the work you complete in your lessons and provide you with opportunities to work independently. Each subject will provide homework for you on a weekly or two - weekly basis which will be recorded on Synergy.

Synergy is an easy-to-use online homework resource showing information, guidance and deadlines. All teachers publish their homework online to pupils' and parents' accounts.

Revision is extremely important. As you will undertake tests regularly throughout each year, it is essential that you are in the habit of regular revision. It is recommended that you take a 'little and often' approach, looking at one or two subjects each night for around 30-40 minutes.

To help you to revise and retain information, you will receive a Knowledge Organiser which you will use in class, during form period and in your home learning

We have a wonderful team of Prefects in school who are appointed as role-models because they represent everything we ask for in a Wade Deacon pupil. They are hardworking, motivated and keen to ensure everyone enjoys our school as much as they do! If you are unsure of something or need assistance— ask anyone in a red tie and they will help you. Maybe when you are in Year 11, you could be a prefect too.
