Criteria for Behaviour, Attitude to Learning & Attitude to Home Learning

On the back of your child's report, you will see detailed descriptions for:

- Behaviour that is Expected, Unsatisfactory and a Cause for Concern;
- Attitude to Learning that is Positive, Requires Improvement and a Cause for Concern;
- Attitude to Home Learning that is Positive, Requires Improvement and a Cause for Concern.

GCSE Target:

- This is your child's end of GCSE target based on prior attainment.

Current Working Grade:

- The Current Working Grade indicates the grade your child is currently achieving based on the body of work completed.

Progress:

- Your child's progress has been described in words. The expectation is that your child will be hitting their target at the end of Year 11. The key provides an overview of the descriptions used to describe progress. The comments used to describe progress reflect the amount of work completed as well as expectations of where students should be at this point in a particular subject.

Behaviour / Attitude to Learning / Attitude to Home Learning:

- Your child has been given a score (1, 2, or 3) for his/her behaviour, attitude to learning in lessons and attitude to home learning. The key provides an overview of what each score means.

Rise Points / Behaviour Points / Attendance:

- RISE Points are the number of reward points your child has achieved since the start of the year. When students achieve a certain number of points they will be rewarded with a badge to wear on the blazer lapel. The key indicates the number of points needed for each colour badge.
- Behaviour Points are a total of points accrued for any instances of poor behaviour. You will also see your child's percentage attendance since the start of the year. The Attendance key describes how we would describe your child's attendance since the start of the academic year.
